EDUCATION

B.Tech,Computer Science Engineering
S.R. Institute of Management & Technology

08/2021 - Present

8.5

Higher Secondary
R.K Mission School(C.B.S.E)

05/2017 - 06/2019

76%

WORK EXPERIENCE

Web Developer Intern.
LetsGrowMore.

09/2021 - 10/2021

WFH

- Achievements/Tasksr sting Project.*
- Completing the many task.
 - Making some inten

Data Science Intern
LetsGrowMore

06/2021 - 08/2021

WFH

- Achievements/Tasks*
- Learn about data science .
 - Complete the task .

Data Science Intern
Two Waits Technologies Pvt.Ltd

07/2021 - 08/2021

WFH

- Achievements/Tasks*
- Learn about the data science and make some quiz.
 - Do some question and also solve leet code problem.

ACHIEVEMENTS

Internshala (10/2021 - Present)

internshalastudentpartner

AWS (07/2021 - Present)

AWS ML SCHOLAR'S 2021

E-VINCE (05/2021 - 07/2021)

CAMPUS AMBASSDOR

HackFest IIT(ISM) Dhanbad (03/2021 - 05/2021)

CAMPUS AMBASSDOR

SKILLS

PYTHON

C

DSA

GIT

CSS

JAVASCRIPT

NodeJs

PROJECTS

Image to Pencil Sketch with Python
(07/2021 - Present)

- We need to read the image in RBG format and then convert it to a grayscale image.
- This will turn an image into a classic black and white photo. this will be our inverted grayscale image.
- https://github.com/ujjwalsrivastav/LGMVIP-DataScience/blob/main/BEGINNER_LEVEL_TASK_1_LetGrowMore.ipynb

Iris Flowers Classification ML Project
(09/2021 - Present)

- He iris flowers dataset contains numeric attributes, and it is perfect for beginners to learn about supervised ML algorithms
- https://github.com/ujjwalsrivastav/LGMVIP-DataScience/blob/main/LetGrowMore_iris_task_2.ipynb ↗

Hospital Management System (09/2021 - 10/2021)

CERTIFICATES

Introduction to programming using python.
(03/2021 - 05/2021)

Microsoft Azure Fundamentals workshop.
(08/2020 - 08/2020)

Data Science intenship (06/2021 - 08/2021)

<https://drive.google.com/file/d/1diGd5xO0XJVk17wP8EFkmELUckjJT2ZH/view?usp=sharing>

Web Development Internship (09/2021 - 10/2021)

<https://drive.google.com/file/d/1xUKH6d6RI2lLd-cuegsgsPsYB4MeLN3d/view?usp=sharing>
